

# The Process

TEACH ~ TRAIN ~ TRANSFORM

The Youth Leadership Program exists to propel youth into effective leadership through service learning.

Building on biblical principles, youth will experience meaningful teaching, interactive activities, and community outreach opportunities that will introduce and encourage a lifestyle of leadership.

Youth meetings are the one Saturday a month from March to December.

For more information please contact us

# Our Purpose

TEACH ~TRAIN~ TRANSFORM

TP Youth Leadership Program's purpose is to promote leadership qualities for youth by focusing on leadership characteristics, community outreach, educational excellence, life application and healthy relationships.

# Core Values

TEACH ~TRAIN~ TRANSFORM

**Integrity**  
**Honor**  
**Humility**  
**Loyalty**  
**Respect**  
**Accountability**  
**Perseverance**  
**Stewardship**

# What We Do

TEACH ~TRAIN~ TRANSFORM

It is our goal to maximize the impact we make on our participants during our monthly meetings. We discuss core values, have awesome guest speakers and creative teaching exercises.

At our Field Day in July, participants learned the importance fitness, teamwork and endurance. Thanks to wonderful partnerships with the Colts Alumni, Lawrence North Cheerleaders and many other groups to make the day a success!

We also have toured the IU Bloomington campus which inspired many of our young leaders to focus on the future. In addition to these activities, we have participated for CureSearch Walk for Children's Cancer, hosted a talent show, taped and TV show discussing the differences the young leaders want to see in their community and much more!

Finally, our young leaders will work as a team to see what they can do over the course of a month to effect a positive change in their community.

This is an exciting program and it is free to the community.
